Houlton Regional Hospital Provider Listing

Houlton Regional Hospital (HRH) provides medical care to patients using a variety of physicians and health care providers. Some may bill for their own professional services, even though they are providing them within the physical building of HRH. They do not follow the same financial assistance policy (FAP) as HRH. Please use the following list to assist you with understanding the bills you may receive for services.

Physicians or providers being billed by HRH and covered by our FAP:

- All Emergency physicians, including locum services
- All General Surgeons, including locum services, along with their outpatient services in the office of Aroostook County Surgical Associates
- All Hospitalists
- All CRNAs
- EKG, Respiratory, and Pulmonary test interpretations
- Cardiac interpretations (pacers, hollers, stress tests)
- All Rural Health Clinic (RHC) physicians - both Houlton Family Practice and Sigrid E Tompkins
- Physician services in our Outpatient Specialty Clinics - exceptions noted below
- All Physical, Occupational, and Speech Therapy services

Physicians, providers or other groups that render service here, do their own billing, and do not follow the HRH FAP:

- Bardy Dx for extended cardiac monitoring
- Northern Orthotics & Prosthetics
- Dr. Bredon Crawford through Northern Light A. R. Gould Hospital
- Durable medical equipment or Podiatry supplies through Surgi Care
- Certain lab tests may get sent away for some testing we cannot do here. Bills may come to you from labs such as Dahl-Chase Pathology, Quest Diagnostics or Aegis.
